...smarter care**

# SPECIFICATIONS

## The Jumbo Rotary Slasher/Brush Cutter

Everything about 'Jumbo' means power! Suited to 100-240hp tractors, Jumbo is quite simply 'The Beast'. Nothing, but nothing stands in the way of this scrub munching machine monster.

When you need a machine to tackle the biggest, roughest jobs – turn to Jumbo. From extra heavy duty construction to the huge flywheel, the 16mm round plate featuring four massive hi-tensile axe flails Jumbo powers through any job maximising your returns quicker.

Jumbo features heavy duty monocoque designed deck, RHS adjustable skids, extra heavy duty 240hp gearbox, casehardened (1 1/2" ø) flailbolts, fully encased lower output seal and extra high clearance underbody for discharge of bulk material – look out!

The camera just can't lie!

## The Fieldmaster Story

Since 1955 Fieldmaster products have been trusted nationwide. We build innovative machinery with our customers in mind – smarter gear to make your work easier. We stand behind all our products, so if you have a problem we fix it – that's smarter care.
