SPECIFICATIONS

The Estate Range features three models with varying cutting widths from 1.2m, 1.5m and 1.8m especially suited to those with an eye for a manicured finish. The Estate Range is at home on large country lawns, at golf clubs, camping grounds, small schools, stud stock premises or on lifestyle blocks.

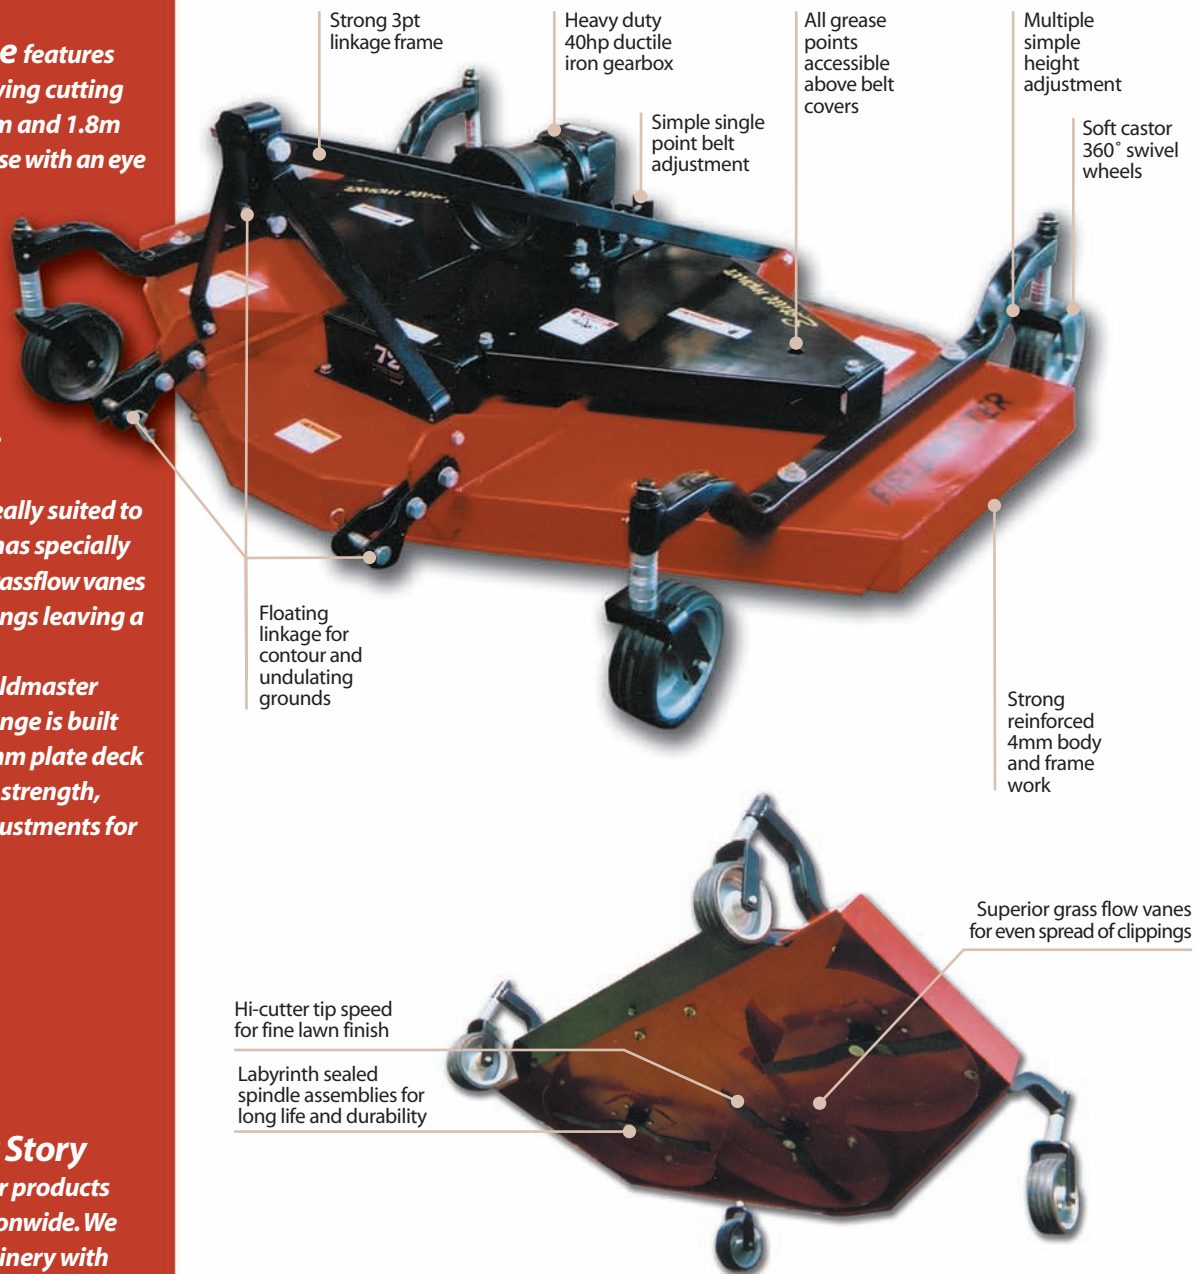

The Estate Range is ideally suited to 15-40hp tractors and has specially designed underbody grassflow vanes to evenly spread clippings leaving a smooth sward.

In common with all Fieldmaster products the Estate Range is built tough and features 4mm plate deck and 10mm gussets for strength, together with easy adjustments for fine finish.
